Attachment Number 2

Inspector General's Recommendation Number 2, Page 17

Recommended DCI Action: Disapprove

Inspector General's Statement

Recommended that:

25X1A6a

WE Division provide Chief of Station, [REDACTED] with a new, better qualified and better balanced professional staff within next year.

DD/P Comment

Non-concur.

The former Deputy Chief of Station was not a trained DD/P officer. He has been replaced by an experienced officer and there have been certain other staff changes since the trip of the inspectors. As now constituted, the staff appears well qualified.
